Important:

All players must submit (and sign) their registration form with payment before they can play for or train with the club.

Players must be registered with the club before playing as non-registration may invalidate the necessary insurance and league affiliations.

The club insures managers, coaches and officials and provides very limited cover for players at training or matches, or when travelling to matches. Please note that parents may wish to purchase additional sports specific insurance which can be obtained from many insurance providers.
